General Conditions

- ♦ All heating equipment is subject to our inspections and approval for acceptance.
- ♦ Labor and parts required as a result of abnormal conditions, such as fire, explosions, floods, water damage, storms, power failure, hurricanes, blown fuses, main switch off, no oil, and acts of God, are not covered by this agreement. Service calls due to problems with, or improper installation of secondary heating systems, are not covered by this agreement. The company shall have the right to cancel this agreement without any liability when issued in error or for non-payment. The decision as to whether to repair or replace parts rests solely with the company.
- ♦ The Company shall not be responsible for failure to perform service or furnish parts due to any or all causes beyond its control and shall in no event be responsible or liable for consequential or indirect damages or any other damages, due to cause beyond its control.
- ♦ The Company will not assume any responsibility and this agreement shall be null and void, if equipment is serviced by any other than authorized company personnel.
- ♦ The services rendered are limited to the parts and services shown or described herein. Charges will be made for all other parts and services.
- ♦ All service agreements expire on the anniversary date one year from date of renewal and are automatically renewed unless cancelled by either party on a thirty-day notice. Company responsibility is specifically limited to the items set forth herein.
